

2025 Spring Solid Waste Landfill Operator Training for New Certification

Type II and III Solid Waste Facility Operator Certification Training

This two-day course (with exam) is training for professionals pursuing careers in demolition/industrial waste, or municipal solid waste management. This course develops a level of competency to operate and inspect solid waste landfills.

The training consists of: Basic math, science, public health issues, rules & regulations, waste screening, asbestos, stormwater issues, facility operations and closure/post closure.

Successful completion of the exam is required to become a certified operator. This certification is valid for three years.

****New Certification Classes****

Per Minn. R. 7048.0800, subp. 1, Type II and Type III new certification registrations require an Exam Application (pg. 3 and 4 of this form) in addition to the registration form. All forms must be received at least 15 days prior to the class date. Email address on forms is mandatory.
